

IDeA-CTSA Collaborations: Opportunities and Challenges

*Organizer: Sidney McNairy; Chair/Moderator: Fred Taylor; Panelists: Kathleen Brady, Lawrence Cornett, Jeff Ebersole, Anthony Hayward, Brent Lamm, Curtis Lowery, Lucia Pirisi-Creek, Thomas Ziegler*

Discussion Topics	Questions	Discussion	Recommendations
<b>Strengths: IDeA/CTSA</b>			
	What are the unique features of CTSA/IDeA? What are common features of CTSA/IDeA?		
	How can these features be leveraged?		
	What aspects are synergistic and how can the natural synergy improved?		
<b>Resources: IDeA/CTSA</b>			
	What are the various modes of resources sharing and dissemination?		
	Are there resources that could be shared?		
<b>Current collaborations</b>			
	What are existing collaborations?		
	Are these topic/geographic specific?		
<b>Future opportunities</b>			
	Are there potential collaborative activities that can be pursued? How can the CTSA/IDeA communities be engaged in active collaborations? What are the policies or programs required to promote collaborations?		
<b>Challenges</b>			
	What are the barriers/challenges for collaborations? What approaches have been used to overcome those challenges/barriers? What are the programmatic limitations for collaborations?
